

2024 NTUST X Project LET'S Go! Summer Program

A part of the University Social Responsibility Initiatives

What is Project LET'S Go! (PLG)?

PLG is a nonprofit organization that brings young talents from around the globe to work with under-resourced schools. During the program, our volunteer teachers design innovative curriculum that promotes art, music, science and critical thinking in an English language immersion setting. Also, we take part in some community activities to gain a deeper cultural understanding.

Who are we recruiting?

We work closely with Taiwan Tech (NTUST) and are recruiting college and graduate students with greatest enthusiasms to serve as volunteer teachers. Our volunteer teachers are talented and versatile; they come from a wide range of language backgrounds and nationalities.

When does this amazing summer program take place?

This year, our program runs from June 20th - August 10th and is available in three sessions:

Session Mountain:

Teacher Conference + On-Site Summer Program

Starting Date: June 20th - July 5th

Total 2.5 weeks

Session South:

Teacher Conference + On-Site Summer Program

Starting Date: July 8th - July 18th

Total 2 weeks

Session Ocean & East:

Teacher Conference + On-Site Summer Program

Starting Date: July 22nd - August 11th

Total 3 weeks

How much does it cost to join?

NTUST will generously support the participants' program fees. An incredible opportunity!

Wow! I want to join! Tell me how, please.

Selection is competitive. Apply now!
